Sir,

I have the honor to bring to your kind notice that the want of a suitable Quarters for halting between Sakleshpur and Belur a distance of about 22 miles is very much felt by Government Officers and Planters who have to undertake frequent journeys between the two places. The members of the District Fund Board, Hassan Circle recognising the necessity of a travellers Bungalow recommended to the Chief Engineer of Mysore the Construction of a 3rd class one at Archally a place rising in importance with the completion of the Archally Gundia Road through which considerable

considerable traffic is expected to be carried on. The Chief Engineer in his letter no 5418 dated 3rd instant intimates that a project for Rs 6412 has been got up by the Superintending Engineer Western Circle and that the question of providing funds for the work will be considered after the sanction of Government to open a Travellers' Bungalow at Arehalli has been obtained.

2 — Under these circumstances and in view of the pressing necessity for ~~for~~ the work so often felt by the travelling public, the planters and the officers on tour, I beg to request that you will be so good as to obtain the sanction of Government to open a 3rd class Travellers' Bungalow at Arehalli, Belur Taluk the benefits and usefulness of which cannot be exaggerated.

I have the honor to be
Sir
Your most obedient Servant

C. Ravanundeo
for Deputy Commissioner
Hassan District

which will be maintained at the cost of the District Funds of the Hapur Local Fund Circle.

2. The question of providing funds for the construction of the bungalo will be considered in the Public Works Department.
